

The Life Change Center is hiring a Substance Abuse Counselor. Preference goes toward a candidate who is certified as a supervisor or who will be a supervisor soon. A CADC-Intern, CADC, LADC, or LCADC would be considered for this position, and the compensation is based upon credentials and experience. Someone who is eligible for certification as a CADC-Intern could be considered, as well. For more information about qualifications, please visit: http://alcohol.nv.gov/uploadedFiles/alcoholnv.gov/Content/Licensure/certified_alcohol_drug_counselor_I_flowchart-508.pdf

A successful candidate would have knowledge and experience in performing intake assessments using DSM 5/ASAM criteria to determine the appropriate level of care; case management functions, including: referral to other community resources for needed health, housing, employment problems; working with patient to satisfy any legal/parole and probation issues; providing individual and group counseling on substance abuse; developing treatment plans and maintaining files on patients in accordance with SAPTA, Medicaid, and company policies; assisting in the development of workable titration schedules in consultation with patient and physician; keeping current on all training and certification/licensing requirements; and participating in quality improvement and quality assurance processes.

Job Type: Full-time, including health/vision/dental plan, 120 hours of PTO, 10 holidays additional to PTO, paid lunches, professional development assistance, and student loan repayment for masters-level Counselors.

Interested candidates can send an email directly to Steven Hammonds along with their resume or CV: shammonds@tlccreno.org
