MEMORANDUM:

As of November 3, 2012 the requirements for the Supervisors of Alcohol and Drug Counselor Interns have changed.

Currently, it is required to submit an application and \$60 fee to the Board to become a Supervisor, and then complete 30 hours of continuing education training.

The Clinical Supervision Training provided by CASAT is broken into three components:

1. Successful completion of a nationally approved Clinical Supervision Foundations self-paced online course. **This requirement is waived for renewing LADC/LCADC AND GAMBLING SUPERVISORS.**
2. Successful completion of a 2-day face-to-face Clinical Supervision for LADCs, LCADCs and CPGCs workshop.
3. Review of two 2-hour “Tips for Clinical Supervisor” webinars and submission of the required essays.

The goal of this training is to prepare clinical supervisors to implement a supervision program that is mutually beneficial to the clinical supervisor, supervisees, and ultimately the clients being served.

How to Begin:

To begin the training process you will first need to register and complete the Clinical Supervision Foundations Online Course. **RENEWING SUPERVISORS** are exempt from this requirement, and all other exceptions to this requirement must be approved by the Board. To register for the online course, please go to:
