

## Clinical Supervision Refresher MONTHLY CONSULTATION GROUP

**This monthly group is intended to satisfy the Clinical Supervision Refresher requirement with the Nevada Board of Examiners for Licensed Alcohol, Drug, and Gambling Counselors.**

This series will cover topics related to Clinical Supervision through presentation, case studies, and discussion. Participants will engage in the following topics: cultural competency, professional advocacy, supervisor assessment tools, consultation groups, theoretical models, and more.

### **What to Expect:**

- Interactive monthly sessions held on the 2th Tuesday of the month via Zoom Meetings.
- Each month will begin with a short didactic presentation from our subject matter experts, followed by interactive case studies and discussion.
- Participants will be expected to have access to appropriate technology (i.e., an internet connection, webcam, laptop/tablet, speakers and microphone) in order to utilize Zoom.
- Each session can be attended separately and are not required as prerequisites. You must register separately for each session you plan to attend.

**Presented by:** Roberta Miranda-Alfonzo, Ph.D., CPC, LCADC-S, NCC, ACS and Adrienne S. Renwick, ABD, LCPC, LCADC
