

 Zephyr Wellness Education

LIVE INTERACTIVE WEBINAR

Cannabis in Society & Medicine

Join us as we learn the latest essential medical information regarding cannabis from nationally renowned experts.

MONDAY, JUNE 14TH 4:00 - 6:00 PM PST
\$50 EARLY-BIRD REGISTRATION

Kevin A. Sabet, Ph. D.

Dubbed the “prodigy of drug politics” by NBC News, Kevin A. Sabet, Ph.D. is an author, consultant, former advisor to three U.S. presidential administrations (Presidents Clinton, Bush, and Obama), affiliated fellow at Yale University, and adjunct professor.

Dr. Kenneth Finn

Dr. Kenneth Finn is Board Certified in Physical Medicine and Rehabilitation and Pain Medicine. He has been on the Exam Council for the American Board of Pain Medicine since 2001 and is also Level II accredited to perform impairment ratings for injured workers in the State of Colorado.

Learning Objectives

Attendees will learn:

- Information about new cannabis products, CBD, CBG, kratom and other common drugs.
- Drug-to-drug interactions with cannabis and the body's metabolism.
- The impact of cannabis on pregnant women and the fetus.
